

We invite you to become a volunteer and join us in our work for a more sustainable planet and getting Green Cross Denmark to have a bigger role in Denmark in environmental areas.

Green Cross Denmark is starting from fresh as of 2017, and as we are rebuilding the organization with base in Copenhagen, we are looking for people who can be part of this journey and make a green buzzing difference with the support of our experienced board.

**Contact us at:**

hello@greencross.dk or

<https://www.facebook.com/GreenCrossDanmark>

We are in particular looking for people with the following skills:

- 1) Communication within the NGO framework
- 2) Social media
- 3) Project development/management
